COMEDY-MAGIC Stage Show

Take the Boredom out of the Boardroom!

Matthew DiSero thrives on taking the Boredom out of the Boardroom! Meetings and events should be exciting, especially when your guests or employees ARE the show.

Interaction with guests is the key. Members of the audience are invited onstage to assist with the magic. SEEMINGLY improvised, Matthew leads participants into situations that allow for maximum comedic effect and makes them the stars of the show.

On stage participants are always treated with respect and, never asked to do anything embarrassing. Always working within the parameters of good taste, the show is clean and corporate friendly.

The whole audience becomes a part of a show that involves chickens, escapes, a giant cigarette, feats of mind reading & a little fun filled danger.

Corporations have chosen to engage Matthew as reliable, fun convention entertainment in such exotic locales as Tokyo – Japan, Seoul – South Korea, Cuba, London – England, Cypress, Sydney – Australia, Canada and across the United States. His vast experience allows him to create a show designed specifically for your needs with your demographic in mind resulting in a truly unique and memorable performance every time!
